VIRTUAL AUCTION OCTOBER 19-23

IN-PERSON GRAND GALA ON
SATURDAY, OCTOBER 23

Welcome

Welcome to the Friends of the Ellsworth Public Library's first-ever gala...

Once upon a time, in May of 1924, a group of passionate community members opened a humble library at the home of Dr. Munger in Ellsworth, WI. As the needs of the community grew and the library's services expanded, a larger space was needed. The library moved to the basement of the Fireman's Opera House, then to the Combacker building, and finally to its current location, its home for the past 57 years. Today our library serves 2,823 patrons who check out over 65,000 items annually. To continue to fulfill the educational, informational, cultural, and recreational needs of our community, a change in location of the Ellsworth Public Library is necessary once again.

This coming week community members will be coming together to celebrate and financially support the Ellsworth Public Library during a once-in-a-lifetime gala, "Once Upon a Library." This event will take place virtually from October 19-23 with silent and premier auctions, a fund-a-need and pledge drive. It will culminate with an in-person Grand Gala Event on Saturday, October 23 at 5 pm in the future home of the library at 388 Main Street in Ellsworth. If you prefer to celebrate at home, you are also able to watch the Grand Gala Event program via the Friends of the Ellsworth Public Library's Facebook page beginning at 8:30 pm.

Proceeds from the gala will be used to fund the furnishings and exterior landscaping at the new Ellsworth Public Library. To make the full vision of the new library a reality, this last fundraising push is needed to furnish the space with shelving, furniture, and more. Exterior landscaping will be the final touch to make the building a source of pride in our community for generations to come. Our fundraising goal is a big, but necessary one. We hope to raise \$200,000!

The Ellsworth Public Library has been a cornerstone of our community for generations. Now is your chance to help the library write its next chapter. With your support, the library can continue to provide quality materials, services, resources and lifelong learning opportunities for our community members for years to come.

Special Guest: Kevin Kling

We're thrilled to welcome Kevin Kling, author, playwright, storyteller, and lover of libraries, as our special guest for the "Once Upon a Library" Gala! If Kevin doesn't look familiar, you will definitely recognize his voice from his popular commentaries on NPR's *All Things Considered*.

Kevin describes his zodiac sign as "Minnesota with Iowa rising..." He grew up in Brooklyn Park and Maple Grove, Minneapolis suburbs, and graduated from Gustavus Adolphus College with a Bachelor of Arts degree in theater. His storytelling started when a friend from the now-defunct Brass Tacks Theatre asked him to perform his stories. Since then, he has been awarded numerous arts grants and fellowships. The National Endowment for the Arts, The McKnight Foundation, The Minnesota State Arts Board, The Bush Foundation, The Jerome Foundation, and others have recognized his artistry. In 2014 Mayor RT Rybak named Kevin "Minneapolis Story Laureate".

We'll be welcoming him to the stage during the Gala to share a tale (and a laugh) or two.
